

ALPHABETIC INDEX OF PRODUCTS OF MINERAL ESTABLISHMENTS-Continued

Product	Page	Product	
Silver concentrates.....	10C-28, 29	Sulfur.....	14E-19 (ftn. 11)
Silver mill bullion.....	10C-28, 29	Syenite (except nephelinic).....	
Silver ores.....	10C-28, 29	Granite.....	See
Silver, placer.....	10C-28, 29		
Sinking mine shafts and driving mine tunnels.....		Talc, crude and prepared.....	14F-24
For bituminous coal and lignite mining establishments.....	12A-38	Titanium ores and concentrates.....	10E-14
For metal mining establishments.....	10E-14	Topaz (non-gem). See Clay and related minerals, n.e.c.	
For nonmetallic minerals mining establishments.....	14F-23	Trap rock, crushed and broken. See Stone, miscellaneous, crushed and broken	
Sinter manganese.....	10D-10	Trap rock, dimension. See Stone, miscellaneous, dimension	
Slate, crushed and broken. See Stone, miscellaneous, crushed and broken		Travertine. See Limestone	
Slate, dimension. See Stone, miscellaneous dimension	14F-24	Tripoli. See Abrasives, natural, except sand	
Soaps, stone, crude and prepared			
Sodium borates (borax, kernite).....		U	
Ulexite. See Potash, soda, and borate minerals	14E-18	Ulexite. See Sodium borates	
Sodium carbonates, natural.....	14E-19 (ftn. 12)	Uranium-radium-vanadium ores and concentrates.....	10E-15
Sodium sulfate, natural.....	14F-25 (ftn. 7)		
Spodumene.....		Vermiculite.....	14F-25 and ftn. 7
Staurolite.....	14B-36, 37	Volcanic ash. See Pumice and tuff	
Stone, dimension. See also specific kind.....	14B-37-40	Volcanic rock. See Stone, miscellaneous, dimension. See also Stone, miscellaneous, crushed and broken	
Stone, miscellaneous, crushed and broken.....	14B-36-37		
Stone, miscellaneous, dimension.....			
Stoneware clay. See Fire clay			
String mining for others on contract:		W	
For anthracite mining establishments.		Well surveying and well drilling.....	13D-61, 62
For bituminous coal and lignite mining establishments.....		Vollastonite.....	14E-19 (ftn. 12)
Stringing overburden on contract:		Wurtzite. See Asphalt, native and bitumens	
For anthracite mining establishments.			
For bituminous coal and lignite mining establishments.....			
For metal mining establishments.....	10E-14		
For nonmetallic minerals mining establishments.....	14F-23	Zinc concentrates.....	10C-26, 27, 29 (ftn. 2,7-9)
See Chemical and mining, n.e.c. Strontium minerals, fertilizer mineral		Zinc ores.....	10C-26, 27, 29 (ftn. 2,9,10)
		Zirconium concentrates.....	10E-15
